University of Toronto Faculty of Music  
**NOTE REGARDING STUDENT FINANCIAL SUPPORT**

Thanks to a SSHRC Connections Grant in support of this conference, a limited amount of financial support is available for student presenters; depending on the total number of requests received, this support may be extended to adjunct/unwaged/independent scholars who present a paper at the conference as well. The funding will only be available to those presenters who live outside of the GTA, to assist with travel and accommodation costs.

**NB: Presenters are encouraged to seek out and apply for whatever other funding opportunities are available to them.**

The total amount that is available in the SSHRC funds for this financial support will be divided among all who apply, with each applicant receiving a fixed percentage of the funds proportionate to their total request. Please follow these guidelines to make your request for financial support:
